**Apply By Email**

**Job Description**

The Department of Anatomy and Physiology, College of Veterinary Medicine, Kansas State University invites applications for a physiologist at the rank of Assistant, Associate or Professor. This is a tenure track or clinical track, full-time, 12-month position with rank and salary commensurate with qualifications. The successful candidate will be expected to contribute to the teaching mission of the department including physiology. The successful candidate may also be expected to establish and maintain an extramural funded research program based on the specific appointment (tenure track vs clinical track).
