position's responsibilities include:

Provide clinical, academic, and scientific leadership in defining and achieving departmental goals
Support and encourage excellence in veterinary medical and graduate student teaching
Ensure that the department fully supports its clinical programs and responsibilities
Recruit, develop and retain excellent faculty and staff
Develop and implement strong departmental and college programs
Manage departmental fiscal planning and administration and evaluations of faculty and staff
Ensure annual reviews are completed and manage department faculty review processes that include, but are not limited to, Reappointment, Promotion, Tenure and Post-tenure reviews.
Maintain a culture of collaboration and collegiality and promote excellence within the department
Enhance a diverse and inclusive community of students, staff and faculty
Maintain a strong mentorship program for professional development of department members
Serve as the primary departmental advocate in enhancing the visibility and prestige of departmental sections and disciplines, and in growing interdisciplinary cross institutional programs
Provide leadership and support for the integration of departmental faculty and students within the greater NC State University community and the nearby universities and medical schools, including the University of North Carolina and Duke University

Qualifications: Doctor of Veterinary Medicine (DVM)/Veterinary Medicine Doctor (VMD), or equivalent degree and demonstrated academic leadership experience required. A record of active participation in clinical, professional/scientific affairs and of teaching and/or research experience is essential.
