Job Description Summary

The College of Veterinary Medicine (CVM) at Auburn University, located in Auburn, Alabama is seeking candidates for the position of Postdoctoral Fellow in Biomedical Sciences. Postdoctoral positions become available periodically under a variety of research grants and projects in the College. We are seeking applications from individuals with either: (1) a PhD in any area of the biomedical sciences or (2) a DVM or its equivalent at the time employment begins. Interests in biomedical research at Auburn target a fundamental niche in animal and human health, the life sciences, and production agriculture. A host of opportunities are envisioned during the upcoming year, taking advantage of unique Auburn resources provided by the CVM Teaching Hospital, Scott-Ritchey Research Center, Southeastern Raptor Center and Clinical Pharmacology Reference Laboratory. Learn more about ongoing research in the CVM at: <http://www.vetmed.auburn.edu/research/>. The candidate selected for this position must be able to meet eligibility requirements to work in the United
