<b>Job Description</b>	

## POSITION

The Department of Veterinary Integrative Biosciences, College of Veterinary Medicine & Biomedical Sciences at Texas A&M University invites applications for two full-time, non-tenure-track Lecturer faculty positions with a 9-month academic appointment. Additionally, if enrollment trends necessitate, teaching duties may be required during the 10-week summer session for extra compensation. The occupants of these positions will be expected to devote up to 100% effort to teaching. These are renewable positions with an opportunity for advancement in the lecturer track going from Lecturer to Senior Lecturer to Principal Lecturer.

## RESPONSIBILITIES

Primary teaching responsibilities will focus on delivering writing-intensive courses that are discipline specific to the Biomedical Sciences (BIMS) undergraduate students. The BIMS program—one of the largest majors at Texas A&M University—is designed to give students a strong foundation in the

biomedical sciences that allows them to pursue professional and graduate school programs, as well as careers in biomedical fields.

### **QUALIFICATIONS**

Successful candidates will hold at least a B.S. in a field relevant to the biomedical sciences and have an extraordinary record of accomplishment in an applied setting. An advanced degree in science journalism or a related discipline, while not required, would be highly desirable. Candidates should have a clear record of undergraduate teaching excellence, a strong familiarity with the delivery of writing-intensive course instruction, and a passion for teaching.

### **SALARY**

Salary will be commensurate with training and experience.

### **APPLICATION PROCESS**

Interested candidates should submit a letter of application describing their interest in the position; a curriculum vitae; a personal statement on teaching; and the names, addresses, telephone numbers, and email addresses of at least five professional references. Please click the link to apply for this position here (<http://apply.interfolio.com/153269>). For further information about the position, please contact Dr. Kevin Curley at [kcurley@cvm.tamu.edu](mailto:kcurley@cvm.tamu.edu).? Review of applications will begin immediately and continue until the position is filled.?The anticipated start date is January 6, 2025.
