The University of Missouri, College of Veterinary Medicine, Veterinary Medical Diagnostic Laboratory (VMDL) Associate Clinical Professor (Non-Tenure Track). Academic rank will be commensurate with experience, qualifications, and laboratory diagnostic services. The VMDL is also a Level 1 lab in the USDA National Animal Health Laboratory Network. To provide relevant, and cost-effective diagnostic services, the VMDL supports a strong learning environment for students and staff.

The Serology section offers 65 plus immunological tests for the diagnosis and surveillance of diseases. Annual volume of tests as evidence of bacterial, viral, fungal, prion, and protozoal infections in companion animals, horses, livestock, and wildlife.

The successful candidate will serve as Serology section leader, teach diagnostic Serology/Immunology to veterinary students, and manage the Serology section.

Title: Assistant or Associate Clinical Professor, FTE: 1.0

Term of Appointment: 12 months

Tenure Status: NTT (Clinical Track)

Type: Ranked

Home Department: Veterinary Pathobiology/Veterinary Medical Diagnostic Laboratory

Responsibilities:

1) Teaching: 0.10 FTE. Responsibilities include teaching diagnostic Serology portion of the Veterinary Pathobiology course (1 rotation, 8 rotations per year), training Clinical Microbiology residents, and participating in clinical and diagnostic services.

2) Service: 0.70 FTE (split between diagnostic service 0.60 FTE and university 0.10 FTE).

Diagnostic Service: The major commitment of this position is providing comprehensive diagnostic services to companion animal owners. The Serology section offers 65 plus immunological tests for the diagnosis and surveillance of diseases or antibodies in specimens as evidence of bacterial, viral, fungal, prion, and protozoal infections in companion animals. Responsibilities include managing Serology section operations, ensuring accurate and timely testing of specimens, maintaining a strong accreditation certification. Specific tasks include supervising three to four full-time staff members and 15-20 seasonal workers. Duties required for regulatory testing of various diseases, performing high complex diagnostic tests, reviewing test results, and engaging producers.

University Service: The faculty in this position is expected to serve on University, College, Departmental Committees, and other university-wide committees.

3) Research: 0.2 FTE. Conducting independent research aimed at enhancing laboratory diagnostic programs and services.

Application Deadline:

Screening and review of applications shall begin immediately, and applications will be accepted until the position is filled.

Community Information:

Columbia offers small-town friendliness with big city features and a high quality of life for people of all ages and interests. Founded on education and known as an ideal college town, its location also makes it an attractive spot for businesses and travelers. Located on Interstate 70 and U.S. Highway 63, Columbia is right in the middle of the state and the nation. Just a couple hours' drive from St. Louis and Kansas City, Columbia is Boone County's largest population center offering big-city culture, activities, and resources with a low cost of living. Columbia is home to a variety of restaurants and entertainment venues and hosts more than a dozen festivals each year. If you want to grow your career, continue your education, raise a family, and retire, Columbia is a good place to be!
