Job Description

The College of Veterinary Medicine invites applications for a 9-month non-tenure track faculty position at the rank of Lecturer in Public and One Health beginning in the fall of 2025. The College has a new undergraduate major program in Public and One Health, a unique public health program that utilizes One Health as its guiding principle. See our website here:

Job Description

We seek an enthusiastic candidate who is committed to teaching excellence, actively engaging undergraduate students, and collaboration within the University community to ensure a positive overall experience for all students. The lecturer will have strong foundational knowledge and training in the public health discipline and will deliver One Health-themed educational content consisting of coordinating at least two courses per semester in two or more of the following areas of public health: social and behavioral health including health promotion; and public health policy, law, and ethics, in relation to humans, animals, and the environment. Possibilities exist for the development of a new
