academic mission of preparing competent, compassionate veterinary professionals.

## Required Qualifications

- DVM or VMD from an AVMA-accredited college **in good professional standing**, or a PhD in a related field.

## Preferred Qualifications

- MS, PhD, and/or specialty board certification are **highly desirable**.
- Demonstrated experience in teaching, clinical instruction, or academic engagement is preferred.

## Department Identity

The LMU College of Veterinary Medicine is committed to improving animal and human health through innovative veterinary education, hands-on clinical experience, and research that supports rural and underserved communities. Faculty members collaborate closely across departments to promote student success, professional growth, and service to the region.

## Candidate Profile

The ideal candidate will:

- Demonstrate a strong commitment to veterinary education and student success.
- Exhibit excellent communication and teamwork skills.
- Maintain high standards of professionalism and ethical conduct.
-
