schools in the United States, LSU Vet Med is experiencing unprecedented growth as we seek to improve and protect the lives of animals and people through superior education, transformational research, and compassionate care. We are dedicated to building a premier team of world-renowned clinicians, educators, and researchers to provide an elite healthcare experience in Louisiana and the region. This is where science meets passion and global health prevails. We hope you will join us as we explore what is possible.

We are seeking our next Assistant/Associate/Full Professor of Companion Animal Surgery. We want you to join our Companion Animal Surgery team at the LSU School of Veterinary Medicine! The LSU Veterinary Teaching Hospital has the most board-certified specialists under one roof in Louisiana. Our Companion Animal Surgery service aims to work closely with clients to offer them the highest quality surgical care possible. We provide state-of-the-art veterinary medicine and surgery, while instructing future veterinarians and veterinary surgeons.

At LSU, our surgeons enjoy a new Arthrex Synergy UHD4 imaging platform, 3-D printing, laparoscopy and thoracoscopy, new Hitachi fluoroscopic C-arm and radiographic system, computed tomography and magnetic resonance imaging, interventional radiology, vessel-sealing devices, smoke evacuation, I-Loc system, AO/ASIF/Synthes plating system, and Bio Medtrix total hip replacement system.

LSU has openings for clinical or tenure-track, and professional-track surgeons.
